Road Hockey 4 Radiology Tournament
May 10, 2015
2nd Ave. East
(800 block – City Hall)
9 am – 4 pm

This road hockey event will be held on the main street of Owen Sound directly in front of City Hall. When was the last time you played road hockey downtown?

- 3 rinks (800 block)
- round robin format
- guaranteed 3 games
- BBQ, live music, prizes

This will be a 4 on 4 format with a maximum of 7 players per team. Players must be over the age of 14. All players must wear helmets and gloves. Players under 18 must wear full face protection.

The current CT at the Owen Sound Regional Hospital has been in place for 11 years and is nearing the end of its lifespan. This critical piece of equipment needs to be updated to the latest technology as soon as possible.

A new CT will bring major improvements over current technology. It will help save lives by dramatically increasing the detail our health care professionals see in images.
