

Dear Community Supporters,

Although COVID-19 has put a damper on our fundraising events planned for 2020, the Chatsworth Community Hub Fundraising Committee is committed to raising funds to support the construction of a new Multi-Use Community Hub Facility on the site of the former Chatsworth Arena.

The Township of Chatsworth Multi-Use Facility Community Hub Building and Fundraising Committees have had a busy year. Conceptual designs for the new facility have been completed and approved by Township Council and preliminary site works have begun including soils testing, drainage plans, etc. Preliminary designs for the new facility include a regulation-size ice surface, indoor walking track, community hall with seating capacity of 300, community outreach program, day care and health facility and seniors' activity room.

We know that this project will take several years before construction can begin, and we need your help.

As a valued member of our community, we are reaching out to you as part of our Holiday Givings Campaign. With your financial donation, we can achieve our goal.

All monies raised are set aside in a special reserve fund with the Township of Chatsworth. This means that any monies raised can only be used for the Multi-Use Community Hub Facility Project.

Consider a one-time financial donation, or perhaps a monthly or annual pledge as part of your Holiday Givings this year. If you would like to contribute to the Multi-Use Facility Community Hub, donations are made easy through in-person donations at the Municipal Office, preauthorized payments, or on-line banking. Payments may be made by mail, in person at the Township Office, pre-authorized withdrawal (monthly or annually), or through your on-line banking. Visit the Township's website and follow the instructions that will take you to our donation form.

We thank you for your continued support of this important community project.

Yours truly,

*Kim Stewart,*
